

## JOB DESCRIPTION

---

**POSITION TITLE:** Physiotherapist

---

**REPORTS TO :** Marco Zanobbi, Head of Physiotherapy for Isokinetic Athens

---

**CLASSIFICATION :** Full time

---

### **Why choose Isokinetic Athens as your next job?**

Isokinetic is a medical group with more than 35 years of experience, focused on Sports Medicine and Rehabilitation and a FIFA Medical Center of Excellence.

At Isokinetic, we are looking for very motivated people who want to join our Sports Medicine Team and are keen to invest in their professional future!

In our group, people are at the heart of everything: we offer a full initial training and constant scientific updating in a vibrant environment where teamwork is the key to reach daily excellence with all our patients.

We are looking for a MSK Physiotherapist with a strong passion for Sport Rehabilitation for our new Isokinetic clinic in Athens. The candidate will be working in a multidisciplinary team and responsible for patient's rehabilitation from the pre-operative phase to return to Sport.

We know that each person is unique and may require different approaches in their treatment plan; that is why our team of professionals (Doctors, Physiotherapists, Athletic Trainers and Chiropractors) works tirelessly to develop custom solutions tailored to fit the specific needs of each individual and particularly of professional Athletes.

Our goal is always to reach with each patient the maximum functional recovery possible but also help them to live healthier.

**“We don't treat the knee but the patient with a knee problem” ...and this make the difference!**

### **Your tasks:**

- Working in a multidisciplinary team under the supervision of a Case Manager
- Ensuring that clients are involved in the planning and constantly motivated during the whole rehabilitation process
- Providing Physiotherapy input in managing patients with a variety of needs
- Monitoring, evaluating and modifying treatment to measure the rehabilitation progress
- Providing Physiotherapy input into comprehensive interdisciplinary treatment

- Providing appropriate information, education and support to the patients on relevant physiotherapy issues
- Demonstrating high level of clinical effectiveness
- Working with elite and professional athletes with different age ranges

**To be a good fit for the Physiotherapist role, you will have:**

- Physiotherapy degree or Master in MSK / Orthopedic / Sport Rehabilitation.
- Experience with different age ranges and a multidisciplinary approach
- Experience or interest in Sport rehabilitation or being a former professional athlete
- Emotional intelligence and resilience
- Greek mother tongue and be fluent in English
- Preferably residency in Athens or available to relocate in Athens

**Keys to success:**

- Excellent communication and interpersonal skills and an understanding of the drivers of service excellence
- Be an empathetic person who love his job and working in team
- Good documentation and organizational skills

**Reasons to join:**

- Full time employment contract with working hours from Monday to Saturday and a clear career progression
- You will have the opportunity to improve your knowledge and professional skills working with more than hundreds of colleagues.
